

THE PLAN

Provides a Full Range of Collection and Order Enforcement Services. Services available to the courts include:

Reminder Notice	Referral to TTEAP (Traffic Ticket Enforcement Assistance Program)
Two Delinquency Notices	Credit Bureau Reporting
Web-based and IVR Credit Card Payments	Phone Calls
Skip Tracing	Wage Garnishment (when appropriate and authorized by the local court)
Referral to TIP (Tax Intercept Program)	

- **Retains the Court's Responsibility for "Front End Case Processing."** Courts will continue to receive and enter data on citations/complaints.
- **Retains the Court's Responsibility for "Back End Case Processing."** Courts will continue payment receipting, financial record keeping and disbursement of all monies paid.
- **Privatizes the "Middle" of Case Processing.** ACS will perform order enforcement and collection activities.
- **Retains the Court's Responsibility Over the Entire Process.** ACS performs the services on behalf of the court and is accountable to the court.
- **Provides Funds for Local Courts.** Participating courts will receive a portion of the fee assessed as partial reimbursement for case data entry payment/processing and other FARE related work.
